SAGIWALL

características técnicas

Fácil aplicação; elevada resistência aos raios U.V.; reduzida dilatação/contracção do material, elevada resistência à absorção de água, elevada resistência à humidade e variações de temperatura, 37 cores desde imitações de madeira, RAL's e cores metalizadas, dispensa manutenção, 10 anos de garantia.

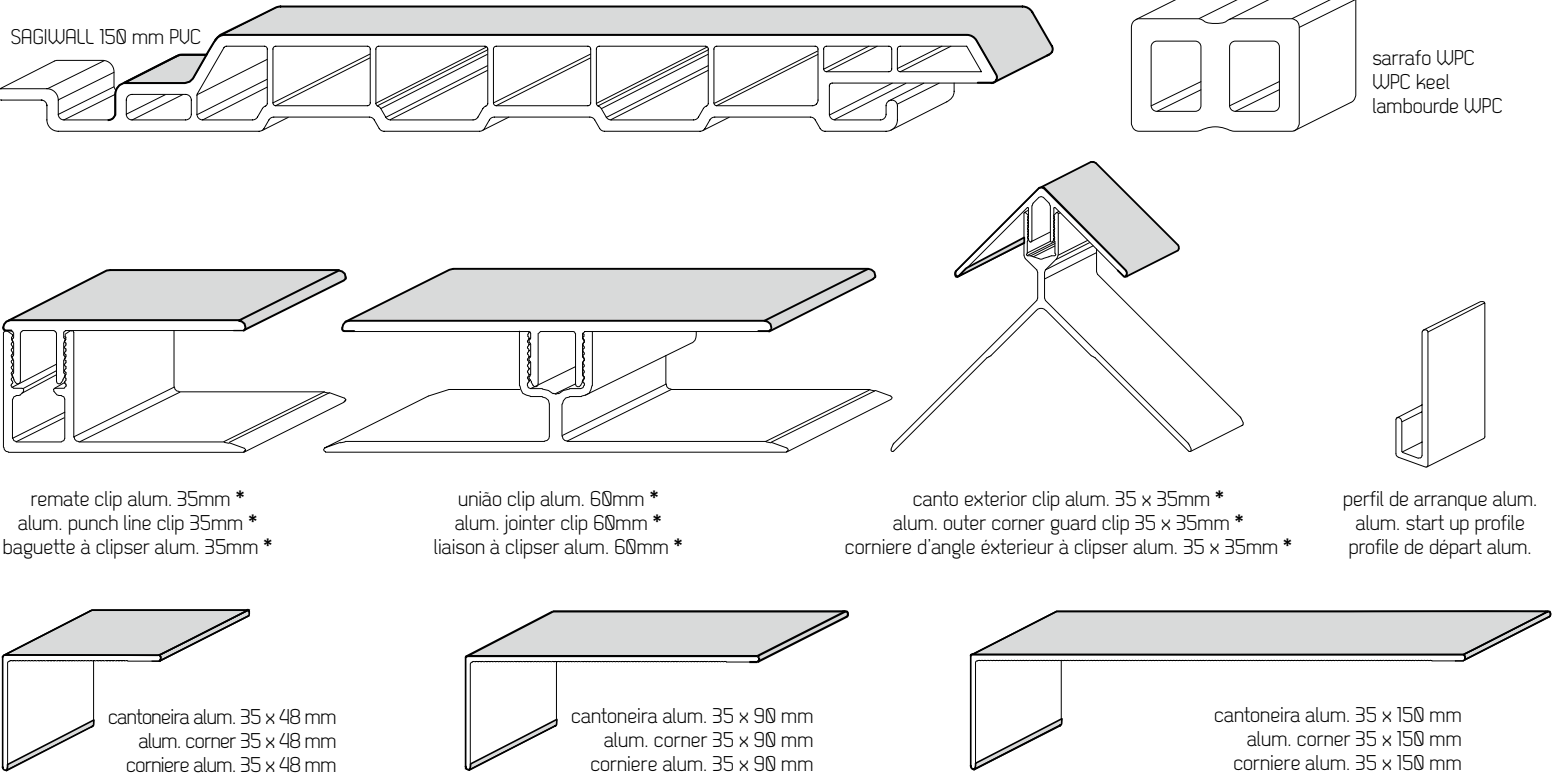

technical characteristics

Easy application; high resistance to UV; low expansion/contraction of the material; high resistance to water absorption; high resistance to humidity and temperature variations, 37 colours since wooden, RAL's and metallic, no maintenance, 10 year warranty.

caractéristiques techniques

Pose facile; haute résistance aux U.V., dilatation/contraction du matériel réduit, haute résistance à l'absorption de l'eau; haute résistance à l'humidité et aux variations de température, 37 couleurs dès l'imitation du bois, RAL's et couleurs métalliques, sans entretien, 10 ans de garantie.
